### **How can you help (and earn work credit)?**

The ECIA Club participates in many different activities. We are a not-for-profit organization that exists to provide area archery enthusiasts with a safe and well-maintained environment to enjoy all facets of archery. As an ECIA member, you can help support and promote the safety, well-being and growth of the ECIA Club by participating in any of the following activities:

- 🎯 Range Work Day – Join club members on scheduled work days to pick up trash, fallen branches, trimming/mowing in practice areas or shooting lanes, around clubhouse and parking areas. We take pride in having a reputation for maintaining one of the nicest archery ranges in the region, and that is how we get outside shooters to come to our club to compete.
- 🎯 3D Shoot Support – Help set up or take down targets on the 3D range for monthly club shoots or weekly club league. See club officers for timing and instructions for this work.
- 🎯 Youth Archery Program – ECIA organizes several youth archery instructional opportunities over the year: Summer Park District classes, winter youth league, and any special year-round opportunities (Boy Scouts, Girl Scouts, etc.) Any interested club member can help set up, supervise for safety, or teach if qualified. See Jeff Reinhold, Vice President for more information.

### **Safety Guidelines for Archery Shooters**

- 🎯 Do not intentionally shoot arrows into the ground.
- 🎯 Only point your bow at the intended target.
- 🎯 Never nock an arrow until the intended target is clear of other shooters.
- 🎯 Stay on designated paths.
- 🎯 Look for arrows only after competition is completed for the day.
- 🎯 If returning to look for lost arrows place a marker or your equipment in front of the target.
- 🎯 Adults **MUST** supervise children at all times.
- 🎯 Draw weight should be such that shooters are able to draw and aim their bow with control and without undue physical discomfort.
- 🎯 Always insure that equipment is in good working order.
- 🎯 Do not hesitate to ask for help or advice from other experienced club members if you need assistance or are unsure about any aspect of the safety of your equipment.
