Please sign up ahead of time if you know you are able to help. It helps with making sure targets are out and ready for shooters and to help keep track of who will receive a work credit. **IF TARGETS ARE NOT SET BY 4PM THURSDAY, THERE WILL NOT BE A SHOOT THAT WEEK.**

Course Setup: 15 Rinehart Targets and 4 stakes per target (white 45yd max, red 40yd max, blue 30yd max, yellow 25yd max) need to be setup on the Wednesday before each shoot.

Course Take-down: The last person/persons on the course need to pull and put away targets. If you have volunteered a head of time to pull targets and you are not the last one on the course, then targets need to be pulled NO LATER than Friday at 4pm. Please let a club officer know if pulling the targets will happen on Friday when you sign up.
